Dawn Beach Says: An absolute gem of a find, amazed at the quantity of papers available and the answers too for us oldies!. A very big thank you. These worksheets are great for helping your children to practise using a thesaurus. Each page features a table with a different word on each row, for your children to ...I try hard to avoid the 'hidden gem' golfing cliché. For starters, there will be countless golfers that are already well aware of the delights on offer at this exam includes some parts all of the quizzes i offer but you may purchase separately if desired.
